# Photographs of July

Clowning around with friends

Sinking putts on sunlit greens

Dancing with the wind

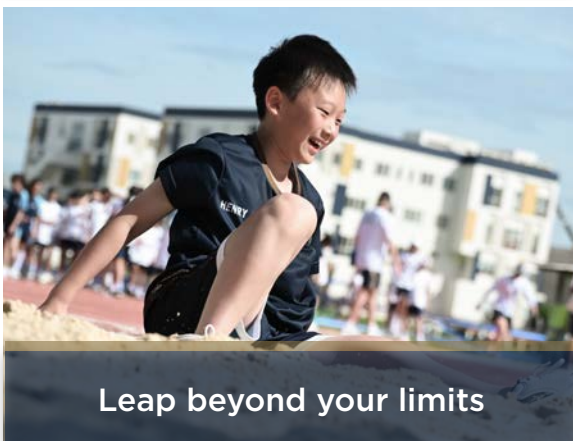

Cool feet in the baking heat

Out of shadows, into light

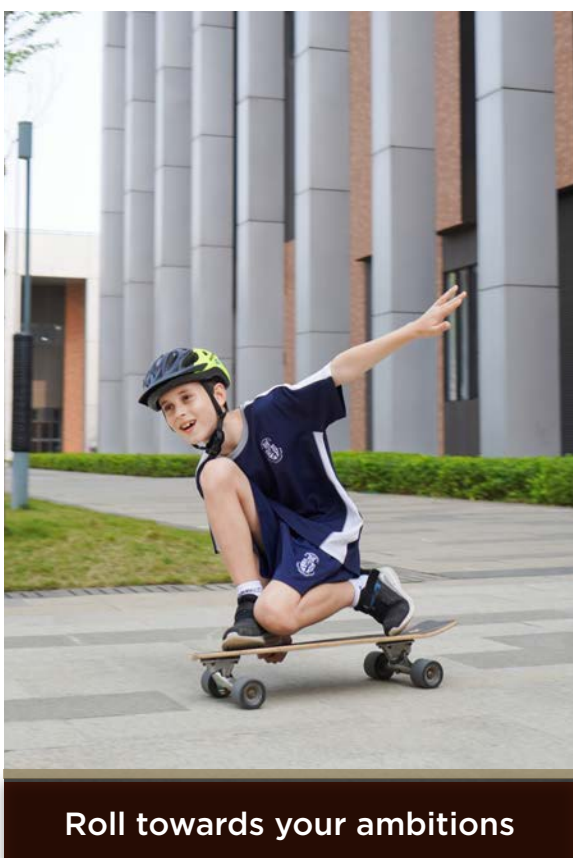

Climb high, dream higher

Leap beyond your limits

Confidence is your superpower

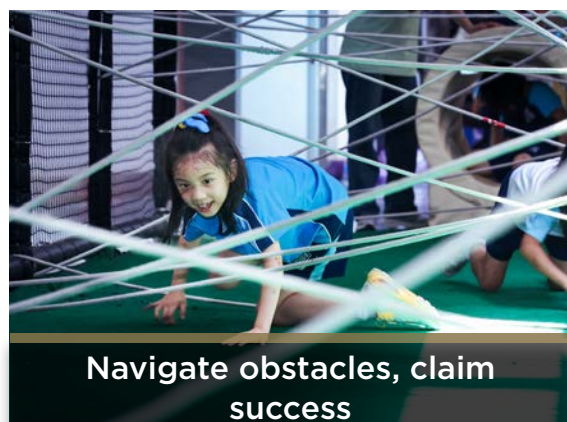

Roll towards your ambitions

Push beyond, defy expectations

Map your path, begin

Navigate obstacles, claim success

Clean Earth, pure heart

# Photographs of July

Lifted by friendship

With each step, courage grows

In water, find freedom

Find purpose in life's maze

Cooling off with friends
